

Making philanthropy more accessible to all.
www.dmvcollectivegivingnetwork.org

What is a Giving Circle? A Giving Circle is a group of individuals who pool their philanthropic dollars and decide together where their money will have the most impact. Giving Circles democratize, diversify and de-mystify philanthropy. There are Giving Circles for all ages, races, ethnicities, religions, sports fans, musicians – anyone can participate!

Since 2008, Giving Circles have changed the philanthropic landscape. Nationally over \$1.3 billion has been donated to nonprofits and, in our region, millions of dollars have been awarded.

Why Join a Giving Circle? By joining a Giving Circle, you'll pool your resources with others and have the chance to deepen your impact and your knowledge about your community and social issues that matter to you. And, it's a great way to meet new people who are committed to making a difference in their communities.

How Do I Join? There are many Giving Circles in our region. The DMV Collective Giving Network is a collaborative of nearly 20 Giving Circles in our region. Use the directory below to find and contact a Giving Circle that matches your giving, time, and interests. Join today and become part of the Giving Circle movement!

<p>100WomenStrong www.onehundredwomenstrong.org pam@onehundredwomenstrong.org Supports Loudoun County nonprofits in the areas of shelter, health, education and hunger</p>	<p>100 Women Who Care Lower Montgomery County, Maryland www.lowermocowwc.com Supports Montgomery County charities</p>
